- Which side of the political spectrum has significantly changed over the years?  
O The Left      O The Right
- Ten years ago, there were more people with moderate political beliefs in the middle.      O True      O False
- During the Obama years from 2009-2017, which is true?  
O The belief that "African Americans are victims of racial discrimination" grew by leaps and bounds.  
O The belief that "African American success depends on personal responsibility" grew.
- Our fundamental disagreements primarily drive us apart, such as:

Does *t* \_\_\_\_\_ exist?

Does *m* \_\_\_\_\_ exist?

Is the *f* \_\_\_\_\_ important to society?

Is the *C* \_\_\_\_\_ a good document to look to?

Is *A* \_\_\_\_\_ a good place to live?

Is *f* \_\_\_\_\_ important to human flourishing?

❖ What is the best civilization ever in existence? \_\_\_\_\_

- Who wants to throw out absolute truth?      O The Left      O The Right
- Conservatives know that humans have thrived on these truths for a long time.      O True      O False
- With postmodernism and Progressivism, an individual decides their own reality and determines their own truth.  
O True      O False
- Progressivism is a *R* \_\_\_\_\_
- Who is 'god' in the religion of Progressivism? \_\_\_\_\_
- Because Progressivism is a religion, people who disagree with a Progressive's politically correct views are:  
O fun to debate!  
O blasphemers and heretics and sinners!  
O Nice people with different views!
- To Progressives, Conservative views are deeply offensive on a spiritual level.      O True      O False
- Which requires strong critical thinking skills?      O Progressivism      O Conservatism
- What do we do?

We fight for *t* \_\_\_\_\_

We *l* \_\_\_\_\_ our neighbor

## FIGHT FOR TRUTH

- As a Christian, where does truth come from? \_\_\_\_\_
- When you are fighting for Conservative principles in your sphere of influence, you must remember that you are not \_\_\_\_\_.
- Conservative ideas are proven by *h* \_\_\_\_\_. Conservatives have facts to back up their beliefs.

## LOVE YOUR NEIGHBOR

17. Progressives:     are bad people             have bad ideas             have bad hair
18. Progressives/Leftists think that the poor and needy in our communities should be taken care of by:  
 no one             the government             Christians             me!
- ❖ Conservatives think that the poor and needy in our communities should be taken care of by:  
 no one             the government             Christians             me!
19. The best argument against big government is:  
 people loving their neighbor and doing things to help others, so government's help is not needed.  
 people protesting against big government so that government will do more.  
 people protesting for more aid to the needy.

## QUESTION and ANSWER SESSION

### *First question...*

20. Progressives think that society will be "egalitarian" (Men and women completely the same) if feminism wins. But does Allie think that there is an actual difference between men and women? \_\_\_\_\_
21. Progressives want:  
 women to gain important positions because they are women, and women have been victims of oppression.  
 women to achieve success due to their own hard work and competence.
22. Conservatives want:  
 women to gain important positions because they are women, and women have been victims of oppression.  
 women to achieve success due to their own hard work and competence.

### *More questions...*

23. Conservatives believe that our rights were endowed by \_\_\_\_\_
24. If you do **not** believe in God, then where do your rights come from? \_\_\_\_\_

### *Last Question about Feminism...*

25. What accounts for the equality that minorities and women have gained over the years?  
 Feminism brought society away from the errors of the founding principles that had denied equal rights to certain groups.  
 over time, society grew **closer** to our original founding principles by including all people in the protections of the founding principles.
26. All feminism has done is make people feel guilty about being \_\_\_\_\_

## CONSIDER THESE QUESTIONS AFTER YOU VIEW STUCKEY'S MESSAGE

27. Allie mentioned that Postmodern philosophy, which started in the 1940s after WW2, has made its way into society. This belief system is a foundation of Progressivism. Which of the following beliefs about "the fundamentals" reflect Progressive views and which reflect conservative views?  
Select the ones that reflect proper conservative views! (Pick 6)
- Each person defines his or her own truth.
  - Truth is defined by God.
  - Morality is oppressive.
  - Morality is an important foundation of liberty.
  - The family of my birth is less important than my place as a global citizen.
  - The family is a foundation of community and society.
  - The Constitution is an evolving document and needs to adapt to evolving values in society.
  - The Constitution protects liberty and shields people from tyranny.
  - America has oppressed minorities and been a force of harm around the world.
  - America's principles have resulted in tremendous liberty and prosperity.
  - Freedom for me means that I will be free from being around anything that offends me.
  - Freedom for me means I have the liberty to pursue my goals to the extent that I do not encroach on others.
- ❖ Progressivism is a religion with no grace. What have ungraceful, tyrannical religions done to people in the past?
